## **WELCOME!**

We want to take a moment to welcome you to Visionary Ophthalmology!

We strive to provide you with the most technologically advanced vision care in an efficient professional manner, because we genuinely care about your well being. We are a full service General Ophthalmology practice that specializes in Corneal Transplants and Refractive Surgery, which includes Custom LASIK, Custom PRK, Intralase, Conductive Keratoplasty (CK), INTACS, Verisyse IOL, and Advance Multifocal IOL for cataract patients. In preparation for your appointment, please bring the following with you:

- A completed enclosed Medical History Form and Registration Form
- Insurance Card and Photo ID
- Primary Care Physician Referral (if your insurance requires one HMO and POS)

You may choose to be seen without a referral; however, payment in full will be required at the time of service.

### **CO-PAYMENTS / DEDUCTIBLES:**

Most insurance companies require patients to pay a co-payment. Please be prepared to pay this at your visit. We accept cash, checks, and all major credit cards.

### **REFRACTION:**

In addition, there may be a **\$55 Refraction Fee**. Most insurance companies do not cover Refractions. Please contact your insurance provider to verify you have coverage for this service. Otherwise, it is your responsibility for this charge at time of service.

### **OPTICAL:**

For your convenience, we offer a full-service optical shop staffed by experienced opticians. We offer outstanding service and value, along with a full line of frames. Moreover, we fit and dispense a full line of Contact Lenses. Frequently, contact fitting are not possible in one visit because of time constraints, so these visits are scheduled separately. If you already wear contact lens, be sure to bring them with you.

**WE REQUIRE A 24 HOUR NOTICE FOR CANCELLATIONS.** No shows and missed appointments will be charged a \$50.00 administrative fee.

If you have any questions, please do not hesitate to call us at **301-896-0890**.

Thank you for choosing Visionary Ophthalmology. We look forward to serving you.

Sincerely,

Visionary Ophthalmology
